

Ultimate Energy Dance Academy
Competition Information Booklet
2026

Welcome to the Ultimate Energy Dance Academy Competition Team. Please take note of all costs, potential travel involved and details of this year long commitment. This is a team sport, and we cannot have students withdrawing or failing to follow the rules as this affects the whole team and may result in them not being able to compete. We operate a professional business to always ensure the safety and wellbeing of our students and as such require your support and commitment.

The competition registration/music fee for 2025 is \$20 for all students. If you also compete in sport aerobics or cheerleading there is an additional fee of \$20 per routine. This must be paid by the 14th of February.

If you have requested a brand-new aerobics mix this will cost \$40.

If your training day falls on a public holiday a make-up class will be provided. All classes must be paid for and attended. If you are to miss more than three classes (comp or rec) in one term, you will be unable to participate in the competition. We ask you to avoid taking holidays in the week leading up to all competitions and concerts, as final trainings are vital to ensuring your child and their team are prepared.

In preparation for nationals, we require all team members to attend their final training. If you are lucky enough to qualify for nationals, please do not book flights before Thursday the 27th of August.

Please do not contact individual teachers or assistant teachers, simply email or phone Karlee/Serena prior to your child's class so that a suitable time can be provided to address your concerns thoroughly. Strictly no parents or siblings will be permitted to view classes. These rules are important in order to maximise your child's learning time and to ensure their full concentration.

Additional training/s may be deemed necessary by your coach and will be advised to individuals/teams as required. Each student progresses at different rates and we ask for your trust in our teaching ability and professional judgement that every child will be adequately prepared for their performance/s. If you request a private lesson these can be organised for \$50 for 50 minutes or \$30 for 30 minutes.

We encourage you to pay all term fees upfront. If you are unable to do this, please contact us to arrange a payment plan. Please note we accept cash or card at the office and full-term fees may also be paid directly into the account.

Spectators

We are very proud of our Ultimate Family. Competition dance requires students, families and teachers to travel together throughout the year. We encourage family and friends to attend competitions and support every student. Spectator fees are charged to enter all competitions and will

be payable at the door. Students are to be dropped off to teacher's backstage (If there is no teacher/helper in the warm up area please take your child with you to the audience and we will collect them). Parents/siblings will not be allowed access backstage which risks whole Club disqualification should they do so. Following student performance/s they may sit with parents in the audience however will be required in full Ultimate uniform for presentations which are a compulsory section of each competition. Any medals and qualification to further rounds may be forfeited should the student leave prior to presentations. We have earned a professional reputation and as such seek your support in being responsible for positive conduct, supporting all students, our teachers, each other and all Clubs. In the unfortunate event you witness any misconduct please contact Karlee to report this immediately as bullying and slander will not be tolerated and could incur immediate disqualification from the Club.

Enrolment form

We discourage enrolment at multiple Dance Studios as this will result in clashes for important dates such as competitions, concerts and class training. We ask for this respect as part of your commitment to and trust in your child's enrolment at Ultimate Energy Dance Academy.

These rules and guidelines are provided in order to protect your child and your family's commitment to our Club. We take this very seriously to ensure a mutually beneficial Club experience and encourage you to contact Karlee should you have any queries or concerns. By completing and signing the enrolment form you and your competitor/s are agreeing to these terms. You can enrol on the website.

We thank you for making the decision to join the Ultimate Energy Dance Academy Competition Team and look forward to fun year together.
